

Digital Security Professional Development & Lifelong Learning Program

The Digital Security Professional Development & Lifelong Learning Program is a primary deliverable under the Global ACE Certification initiated to nurture cybersecurity personnel in the era of the Fourth Industrial Revolution (4IR). The training focuses on the knowledge transfer of essential cybersecurity components, development approach of indigenous security certification programs, and the implementation of the Mutual Recognition Arrangement (MRA).

Session 2

23 - 26 & 29 - 30 August 2022 (6 days), 1100 - 1300 (GMT +8)

**Will be conducted virtually*

Course Objectives

To provide general understanding about the essential component of digital security, importance of cybersecurity, create awareness on the growing cyber threats and trends and its impact towards cyber terrorism and internet radicalization.

To learn how to prevent general attacks, conduct assessment, and harden the common type of network and systems towards securing the organisation digital ecosystem

To enable the participants to understand the overall concept of the certification

To equip the participants with the knowledge and skill to plan, implement, and manage their respective country chapters

To help the participants anticipate the potential development and operational challenges

To ensure certification sustainability

Participants will be introduced with in-depth design of the Global ACE Certification structure, analysis, methodologies, and the applied skill sets centring on the above mentioned objectives.

Who Should Participate?

- ✓ ICT professionals and decision makers in-charge of capacity building and who wish to extent knowledge in the digital security domains
- ✓ Digital workforce and Cybersecurity personnel
- ✓ Personnel with ICT background who interested in digital security

Prerequisite/ Eligibility

- ✓ 26 - 45 years old;
- ✓ A Bachelor degree holder in IT;
- ✓ 2 years relevant experience (e.g. system administrator, network engineer, SOC analyst);
- ✓ Should have fundamental understanding on information security/security assessment;
- ✓ Proficient in the English language;
- ✓ Medically fit.

The Malaysian Technical Cooperation Programme (MTCP)

The Malaysian Technical Cooperation Programme (MTCP) was officially launched on 7 September 1980 at the Commonwealth Heads of State Meeting in New Delhi, India, to signify Malaysia's commitment to the South-South Cooperation, in particular, the Technical Cooperation among Developing Countries (TCDC).

The MTCP emphasizes on the development of human resources through the provision of trainings in various areas which are essential for a country's development such as the economy, finance, public management and administration, science and technology and ICT, health diplomacy, safety and security including cybersecurity, cultural diplomacy, social development, environment-related to SDG2030, education, industrial and technical training. Annually, Malaysia offered more than 60 technical and capacity-building programs under the MTCP, which have benefited more than 35,500 participants from 144 countries.

Objectives Of MTCP

- ✓ To share the development experience with other countries;
- ✓ To strengthen bilateral relations between Malaysia and other developing countries;
- ✓ To promote the South-South Cooperation (SSC); and
- ✓ To promote the technical cooperation among developing countries.

Application

- ✓ The course fees are fully sponsored by the Government of Malaysia.
- ✓ Applications should be made using the prescribed MTCP forms available at:
<https://www.kln.gov.my/documents/8390448/8392184/MTCP+2022+-+APPLICATION+FORM.pdf/31506fe1-ace4-44d1-88a2-7b4227e6bd2a>
- ✓ MTCP application forms can also be obtained from the nearest Malaysian Embassy/High Commission in recipient countries.
- ✓ All application forms must be duly completed and endorsed by the Ministry of Foreign Affairs or National Focal/Aid Coordinator Agency in the respective countries and submitted **ONLY** through the diplomatic channel via the Embassy/High Commission of Malaysia.
- ✓ **Only successful applicants will receive the Official Invitation notification one (1) week from the course date, by the Training Institute via email.**

Closing Date: 22 July 2022
